Issue #5 - August 2025

ROADWAY CONCEPTUAL ANALYSIS (RCA) UPDATE COMMUNITY WORKSHOP

Orange County invites you to the Community Workshop for the Chuluota Road Roadway Conceptual Analysis (RCA) update. This study has examined various methods to improve safety and operations along the project limits from north of Colonial Drive (State Road (SR) 50) to Lake Pickett Road. Orange County will gather additional information from this community workshop and, along with the feedback collected at previous meetings, will present recommendations to the Board of County Commissioners who will decide the future of this project.

Alternatives were considered for both the No Build scenario (existing two-lane configuration) and a Build scenario where Chuluota Road is widened to four lanes as indicated in the 2023 Chuluota Road Roadway Conceptual Analysis study (with consideration of various intersection alternatives).

Orange County invites the public to the Community Workshop on **Thursday, August 21, 2025, at East River High School, Media Center, 650 E. River Falcons Way, Orlando, FL 32833**. The Community Workshop begins at 5:30 p.m. and a presentation will be shown at 6 p.m. The public will have a chance to ask questions and give comments.
