PROJECT DEVELOPMENT & ENVIRONMENT STUDY  
FROM SR 50 TO LAKE PICKETT ROAD

ORANGE COUNTY MAYOR  
JERRY L. DEMINGS

DISTRICT 5 COMMISSIONER  
KELLY SEMRAD

Issue #6 - May 2026

## PROJECT DEVELOPMENT & ENVIRONMENT (PD&E) STUDY PUBLIC HEARING

Orange County invites you to the public hearing for the Chuluota Road Project Development & Environment (PD&E) Study. This study has examined various methods to improve safety and operations along the project limits from north of Colonial Drive (State Road (SR) 50) to Lake Pickett Road. After holding five public meetings and two public hearings, the project team has considered all the public feedback and will now present their findings to the Orange County Board of County Commissioners for consideration and approval. All Public Hearing materials, including the presentation, will be available on the project website prior to the Public Hearing. Project documents will also be on display from May 12, 2026, to June 2, 2026, at the Orange County Public Works Building, 4200 S. John Young Pkwy, Orlando, FL 32839.

Three alternatives were considered for this project: a No Build scenario (keep existing two-lane configuration); a Build scenario where Chuluota Road is widened to four lanes (with consideration of various intersection alternatives); and a Build scenario which would keep the existing two-lanes and build intersection improvements.

Orange County invites the community to the Public Hearing at the **Board of County Commissioners Meeting on Tuesday, June 2, 2026**, at the **Orange County Government Administration Center, 201 S. Rosalind Avenue, Orlando, FL 32802**. The public hearing begins at 2 p.m. The public will have a chance to give comments during the hearing before the board members make their decision.

## OPPORTUNITIES TO PARTICIPATE IN THE CHULUOTA PD&E STUDY PUBLIC HEARING

Meeting Begins: 2 p.m.  
When: June 2, 2026  
Where: Orange County Government Administration Center,  
201 S. Rosalind Avenue, Orlando, FL 32802
